

Time for your next adventure

Discover Asia with our all-encompassing,
hyper-personalized travel exploration and
AI planning experience.

1

Discover destinations: Create your vision board

- Create dynamic pins on the world map for all the places you want to visit and keep track of
- Explore our preset recommendations from each pin's 'Destination Profile' including cultural events, restaurants, walking trails, spas, tours, and more.
- Import your own media & sources or keep track of your thoughts to add your own flair to each destination's pin!

Stress-free & personalized planning

- Take our Profile Analysis questionnaire and tell us about yourself -- what are your preferences? Is there anything that is a must/must not for you? What is your number 1 travel priority?
- What is your budget? Tell us your budget and logistics about your trip -- such as where you are traveling from or how many days you can travel for.

Travel and Explore with our itinerary

- Using AI, your profile will be analyzed and produce:
- A financial planner, explaining the budget breakdown, taking into account your preferences & priorities
 - Recommendations about every aspect of the trip, tailored to you
 - A downloadable day-by-day itinerary combining the financial planner, recommendations, and most importantly, you.
